

Template Article

STEP 01 Primary Content Format

What is your primary content format?

- ☐ How-to Guide ☐ Project Tutorial ☐ List of Resources ☐ Checklist
- ☐ Other:

STEP 02 Research Format Examples

Find 10 examples of your chosen format, and write down the common features between these examples. Also keep note of the things you like and dislike about these examples.

STEP 03

Article Writing Process

Write three articles without a template, and record your article-writing process.

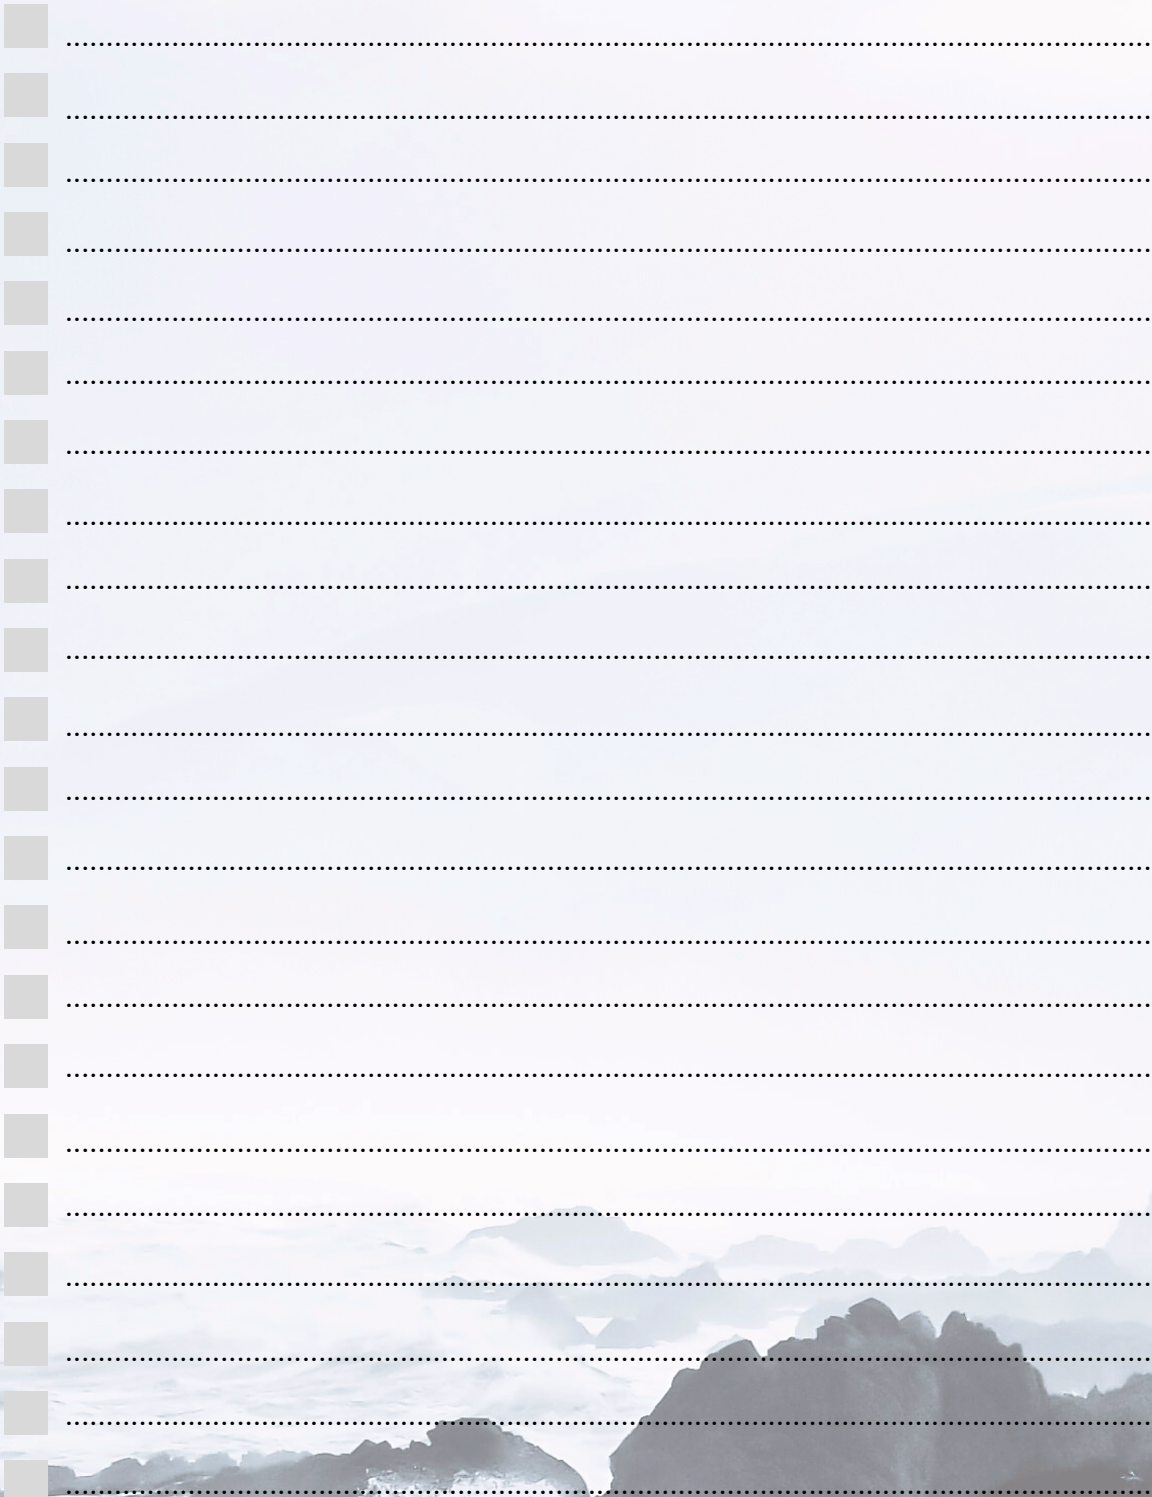

A vertical column of 24 small gray squares, each followed by a horizontal dotted line, providing a structured space for writing.

STEP 03

Article Writing Process

Write three articles without a template, and record your article-writing process.

A vertical column of 24 small gray squares, each followed by a horizontal dotted line, providing a structured space for writing.

STEP 03

Article Writing Process

Write three articles without a template, and record your article-writing process.

A series of 20 horizontal dotted lines for writing, each preceded by a small gray square marker.

STEP 04

Distilled Article Process

Merge all three of your article processes, removing duplication and being aware of one-offs.

STEP 05

Create Article Template

Create your first article template. I'd recommend setting up your template in whichever editor you are going to be using to publish your real articles.
